

63-7580

25 YEAR RE-REVIEW

3 October 1963

MEMORANDUM FOR: Director of Security

THROUGH: Deputy Director (Support)

Confirming my telephone conversation with Mr. Osborn,
please crank into the USIB Security Committee which you chair
the problem of damage assessment and possible compromise

in June. I know you are preparing an in-house analysis, but
other members of the intelligence community would like to
participate.
